

Whitney Music

Dear Parents,

Each year the school gives the music program \$2,000.00 to run the program for the entire year. I do everything I can to fix instruments, perform routine maintenance and write my own music so that we can keep costs down. However, the truth is that it takes \$30,000+ a year to run the music program.

Every year we ask the students and their families to help out in any way that they can. However, if we cannot raise the funds necessary we will be forced to reduce events and planned purchases from the rest of the year.

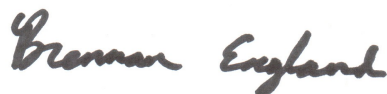

This year the suggested donations are as follows:

Middle School Band: \$50 (music, concert uniforms, instrument repair and purchase)
High School Band: \$80 (music, concert uniforms, instrument repair and purchase)
Color Guard Members \$500 (instruction, supplies, uniforms, competition fees)
Jazz Band: \$50 (music, instrument repair and purchase)

These donations help us pay for all of the music we play throughout the year, maintaining instruments, replacing old instruments with new ones, and buying color guard supplies such as flags, rifles, poles, and uniforms. This also helps us save money for upcoming large expenditures such as large instruments and winter guard floors.

This suggested donation is given to Mr. England in the Music Room. He will then give the check to the music boosters to put into our account. Checks can be made out to **Whitney Music Club**, cash payments are also accepted. Credit Card donations can be made through www.whitneymusic.org Paypal links.

If you have any questions or concerns please let me know,

Brennan England
